

# TURKEY FEAST

If your oven breaks down on Thanksgiving morning this is what you should do.

First go to Hawaii.

Next throw the turkey in the volcano .

Then it should heat up.

After that the turkey should be cooking.

Finally make sure its cooking right.

Make sure the temperature is 1.5 degrees and cook it for 2 hours.

Before cooking add salt and pepper and water.

Serve the turkey with pumpkin pie and mash potatoes.

The turkey will smell good

Look good

and taste great
