

Kenzie

Once upon a time there lived a monster named Allyson. She has black eyes. She is rich and she likes to party.

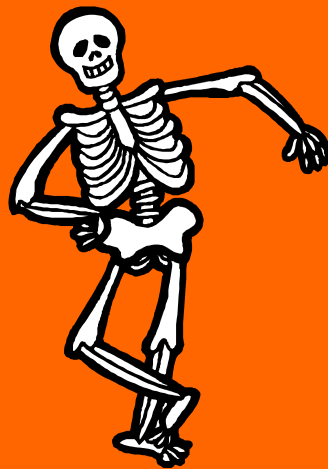

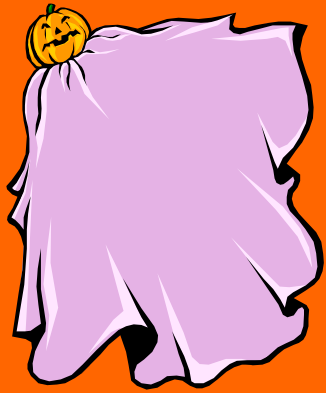

There was a ghost in a hole then a bogey man came by second grade. Then a bat came then a bogey man came to school.

Something got broken in the bogey man's hand it was broken and he broke ten things.

Then we put it back together again
then we put everything back
together.

The end
