

# By Logan

Once upon a time there live a monster named killer. Killer was a scary monster his favorite snack was whatever he saw. Killer ate everyone. Killer got so mad he destroyed the hole town.

Killer lives in a haunted cave. Killer looks like he has sharp bloody teeth whenever he touched people they froze. Killer was so scary every monster ran away.

Killer grew wings but he got so mad he hated his wings.

Killer still hated his wings but he ripped his wings off.
