THE sick monster

Once there was a monster named Tanner. Tanner was a nice monster but his dad wanted to make him a mean one.

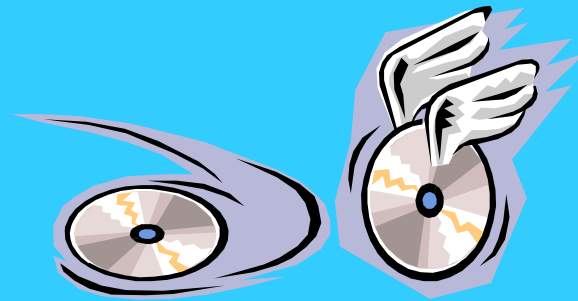

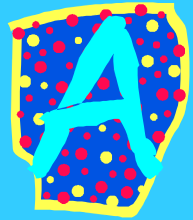

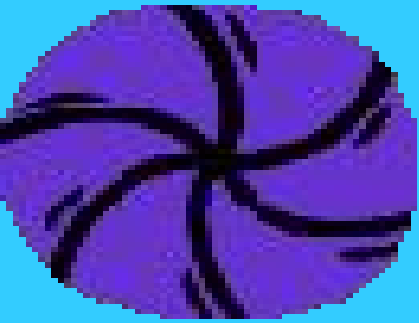

No

They live in a haunted castle. Its scary and smelly vampires live there. Ghosts and ghouls live there and a dead dog.

One day he got sick and his dad kept yelling at him. He threw up. He felt horrible.

He got medicine and his dad didn't yell any more and he got better. And they lived happily ever after.

THE END
