

# Victor's Halloween

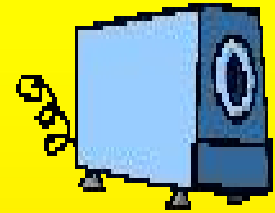

My monster's name is Brett.  
My monster is mean and  
nothing can brake the spell  
on him. He is possessed.

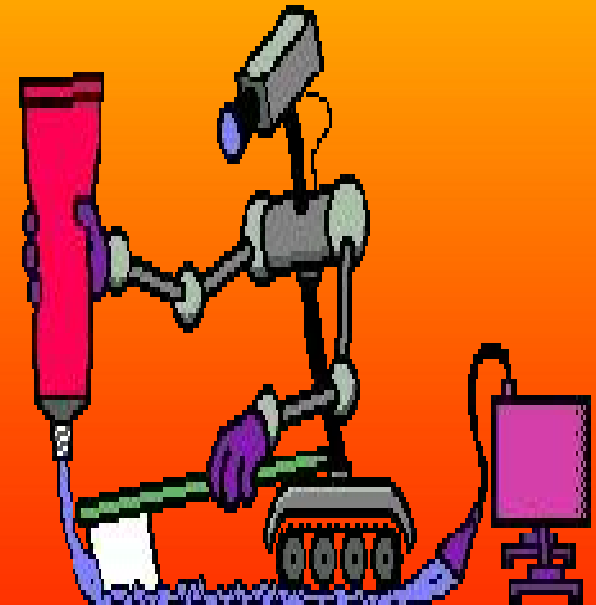

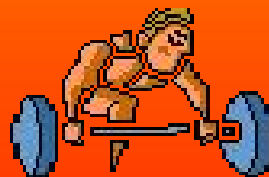

My monster lives in a scary house. He got sick by eating 100 children.

When he was sick he went to the store and he bought some pills but it cost \$2.50 and he had \$4.80 so he got \$2.30 change.
