

# The Robin

*This bird is 9 to 11 inches tall. It has small legs. An orange belly. And black feathers.*

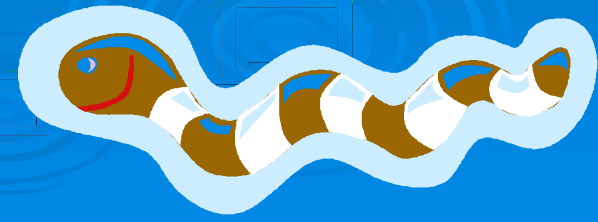

*The robin lives in farmlands, towns, forests, and near berry trees.  
It's nest is a neat cup of grasses and mud placed in a bush.*

*It lays blue eggs. It eats insects, worms, snails, berries and fruits.*

# Robins rule

*It lays 3 to 5 pale eggs. It's bill is yellow. It makes a tyeep tut, tut, tut, sound.*
