

White-Winged Dove

This bird is 11 to 12 inches tall. It makes a harsh cooing “who cooing you”?

It has a little bit of white .

It has red eyes too.

And a little bit of blue.

It can be found in the United States and including Arizona. The white-winged dove lives in a saguaros deserts, towns and dry woods.

It lives in a tree for nest and its nest is a Flimsy twig and platform in tree or thicket.

It lays 2 buff colored eggs.

It eats seeds, grain fruits and insects.

And eats water berries and other fruits

It swims. And this white-winged dove looks like a duck and its cool.
