

# Devil

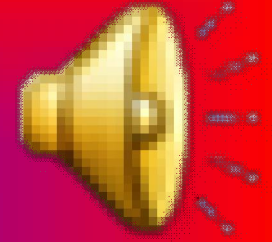

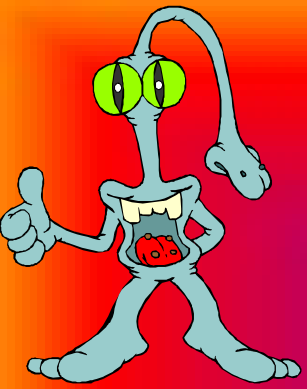

Once there was a monster named Devil. He had yellow teeth. He had eaten rocks. He had lots of power. Once he ate a kid.

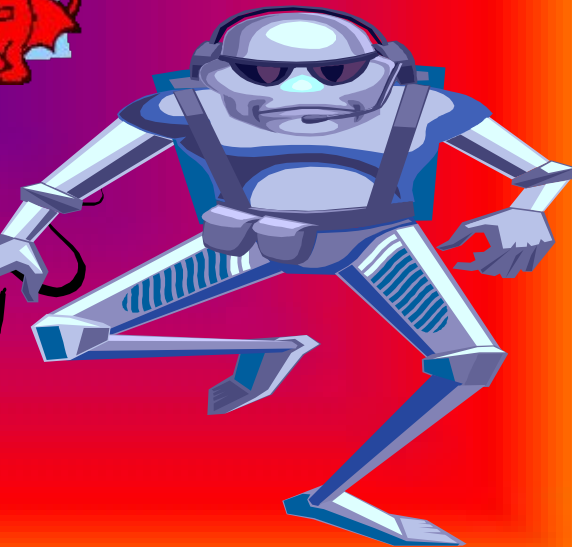

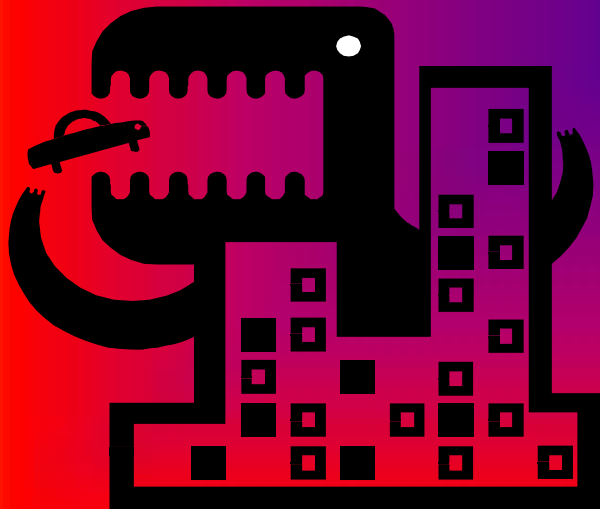

Devil lives in a haunted tike wike house. It has screams. It has bugs. And it has crickets.

One day Devil had a problem. The haunted dog broke everything. He broke the TV. And He brok his eye. Devil was mad

Devil bought more things. He brought a new TV. And he bought a new eye ball. He was happy.
