

The Mean Vampire

Once there was a Vampire and his name Chris. He lived in a haunted castle. He loved to eat fish and once on Halloween there was a little boy dressed as a fish and the vampire let him in.

And the little boy most got eaten by the vampire but he hid from the vampire but the vampire found him and the boy ran out of the house.

The boy defeated the Vampire and he escaped from the vampires house. He thought defeated him but the vampire was still alive!
