

# Halloween school 2

Once there  
was a  
monster  
named Porce  
He was a  
green bat, he  
liked to  
scare kids.  
He didn't like  
kids he was a  
hairy bat.

Proce lives in a haunted school. He was a teacher. He was the principle too. The kids were sad.

One day Proce had a problem he had the flu. He felt sad he couldn't go to sleep or eat.

The next day he felt better. Then he went to school. He was nicer to the kids. They were beginning to like him.
