

Trish

Once there was a monster named Trish. She is nice. She loves Halloween. She pretended to be in a costume so she can get candy. She got a trophy for the most candy.

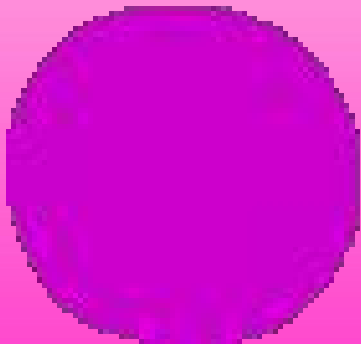

Trish lives in a haunted castle. Down the rode is a haunted school. After her dad put a spell on it 100 years ago the teachers are vampires and werewolves and skeletons and witches and the principal is a ghost.

And her dad is mean to her. And one day she got sick. And her dad was still yelling at her. And she kept throwing up. She felt sad.

And the next day she went to
doctor Reese and she got
better.

The End
