

The Ugly Scary Vampire

Once upon time there was a vampire named Mr. Man. He has long black nails.

He likes to eat kids in second grade

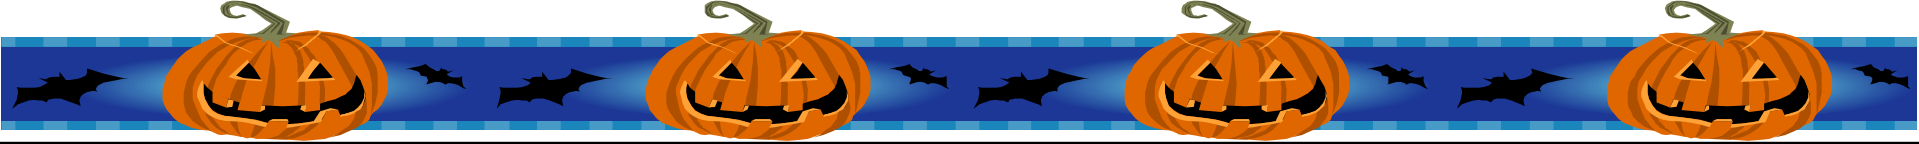

He looks like a frog mixed with a fly vampire.

This monster lives in a haunted museum.

It has dripping blood from the ceiling . And slimy glowing red floors. And when you look at a picture it has glowing eyes.

The problem is that it was Halloween night. And Mr. Man didn't have food or blood to drink or eat. Then he went outside but there was light.

The next day when it was dark he finally went to go buy food and blood.
