

The Haunted Museum

Once upon a time there was a monster named Scary Boo. He has a big head and he has webbed feet. Scary Boo was a big hairy monster to. Scary boo had bat's flying at night.

This monster lives in a museum with a glowing mummy. They have creaky floors to. And scary big ugly rat's. A monster with yellow eyes comes to life. There are crazy animals.

Scary Boo was playing tag with his friend's and Scary Boo broke his mother's vase, her favorite vase. And his mother was not home at the museum. The crazy animal's were running around like crazy. And they to Scary Boo's drawer and fond tape to fix the vase but it broke again.

Scary Boo had to do something fast cause they only had a little more time. Scary Boo looked and found glue. Now we can glue it back together. And they did. And the mom never found out.

THE END
