

The Blobby Monster

Once upon a time there was a monster named Gooney. He eats body parts! He could see people with no eyes!

This monster lives in a haunted space ship! It has bloody bats! Rats with 100 eyes! A vampire with 4 arms! Slimy goo! 100 big mummies and Zombies!

Once Gooney had a problem. It was really hot he started to melt. He was going to die.

Then he went to the space doctor and they put ice in him! And he never died.

The End!
