

The haunted zoo

By Alex

Once upon time there were five monsters named Bob, Joe, Joey, Freddy and Sam. They ate flesh and souls. They had green skin and there fingers were long and black.

Happy Halloween

The haunted zoo is creepy and monsters were waking all around .

One day Bob, Joe, Joey, Freddy and Sam made a big mess at the zoo. The animals got mad so they broke out of their cages and got wild and crazy.

The animals attacked the monsters. The monsters ran away and never came back.
