

The little Dragon

by Dominik

Once upon a time there was a monster named Dragon .He looked like a little monster. He was 100 years old . He has brown teeth. He has blue hair. He is green. He lived in a scary house.

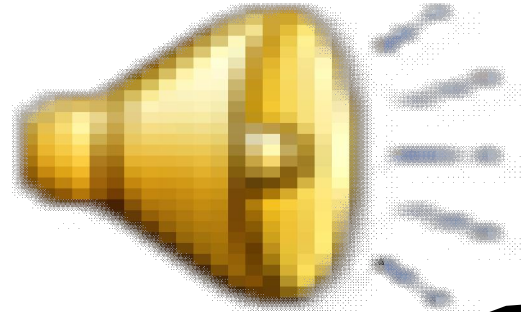

He lives in a haunted house.
Alive Toys are Coming. Aliens
have a big spaceship. Vampires
have long fangs. Scary stuff is
dangerous! Snakes are in the
house.

One day Dragon got mad at his self. He ate his fingers. He was mad because he didn't have any friends because everybody thought he wasn't a good friend. He was sad.

The next day someone came over and said, "I will be your friend." He was happy. He wasn't mad anymore.
