Thanksgiving

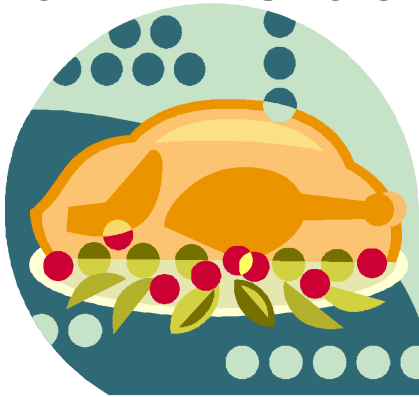

Every year we celebrate Thanksgiving at my house with my family. We are going to eat turkey. At home my mom is very nice and my daddy is very happy sometimes at home

Thanksgiving

My house is very clean inside every thanksgiving. I smell turkey in the kitchen. It smells real good. Every time I wait for it until its done.

This year everything was going great until the oven broke. I had to do something fast or thanksgiving would be lost. First I went to the store and bought a new oven. Next we went back home. Then we put the turkey in the oven. After that we set the time. Finally after 20 minutes it was done. I made sure the temperature was 30 degrees and cooked the turkey for 4 hours. Before cooking I ate the back of it. We served the turkey with my family. The turkey smelled very good looked like a very hot turkey and tasted very good. And thanksgiving was saved.
