# Happy Thanksgiving

Every year we celebrate Thanksgiving at the park and my family and I went. I finish my food and then I go to play with Estefania and her sister.

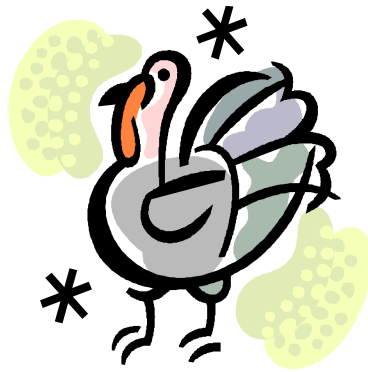

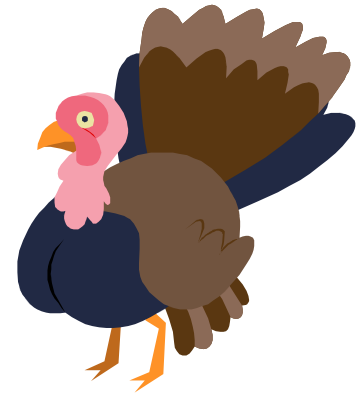

Thanksgiving

The park is fun I see birds fly and smell turkey and I tasted turkey.

This year everything was going great until the oven broke. I had to do something fast or thanksgiving would be lost. First I put the turkey on the barbecue. Then I covered it up and let it cook. After that I went to my cousins house to give them some turkey. Finally I went to my room running. I made sure the temperature was 900,000,000 degrees and cooked the turkey for 3 hours .Before cooking I added salt. We served the turkey with corn and lemon. The turkey smelled good and tasted lemony. It looked all brown and tasted good. Thanksgiving was saved.
