Every year we celebrate Thanksgiving at My house. My Mom was there She is nice and my Dad was there . My baby Brother he is funny. My sister Was there she is ten years old. My Aunt was there she is fun. Uncle was there he is my Mom's Brother.

My house is clean and nice. It has two rooms and one bathroom. I hear my uncle talking about his work. I see my baby brother and my big sister is kind .

This year everything was going great until the oven broke. I had to do something fast or Thanksgiving would be lost. First the oven fell down . Next my dad went to the store to buy stuff for the oven. Then it worked good. After that we put the turkey in the oven. Finally my family ate the turkey. I made sure the temperature was 4,000,000,000 and cooked the turkey for 18 hours. Before cooking I added salt. We served the turkey with peppers. The turkey will smell nice. Look like turkey and taste like turkey. Thanksgiving was saved.
