

# Happy Thanksgiving

Every year we  
celebrate  
Thanksgiving at my  
house. My cousins  
are going to be  
there. My sister is  
mean. My whole  
family is going to be  
there. My aunts are  
going to be there.

The setting is at my house. I smell pie in the living room. I hear the TV on. My house is always clean. My family always comes.

# Thanksgiving

This year everything was going great until the oven broke. I had to do something fast or thanksgiving would be lost.

First I went to the store to buy a new oven.

Next it broke again but my dad fixed it.

Then it worked good.

After that we put the turkey in the oven.

Finally my family started to eat the turkey it was good.

I made sure the temperature was 40.000 degrees and cooked the turkey for 10 hours.

Before cooking I added salt and lemon.

We served the turkey with mashed potatoes.

The turkey smelled nice and good

And looked brown.

And tasted like a turkey. Thanksgiving was saved.
