Thanksgiving

The park is big. Me and my brother went to play soccer and my dad played too. We went to the store in a van and I saw ducks.

This year everything was going great until the oven broke. I had to do something fast or Thanksgiving would be lost. First my dad fix it by making a campfire. Next I put the turkey in the campfire. Then I covered it up. After that I checked it. Finally it was done. I made sure the temperature was 1,000,000,000,000 and cooked the turkey for 20 hours. Before cooking I added hot cheetos and salsa. We served the turkey with pizza and ice cream. The turkey smelled good looked nice and good and tasted very delicious. Thanksgiving was saved.
