

My China Report. By Ema and Andrea

The capital of China is Beijing. You can have one kid because Education population control. The great wall was built to protect people.

The wall was made during the Ming Dynasty. Most people in China wear the same street fashion as people anywhere else in the world. However on special occasions such as weddings they wear robes. This is how far it is to China, 11,434 km. This is how old the flag is, it was made in 1949. The president is Xi Jinping.
