

Frankenstein

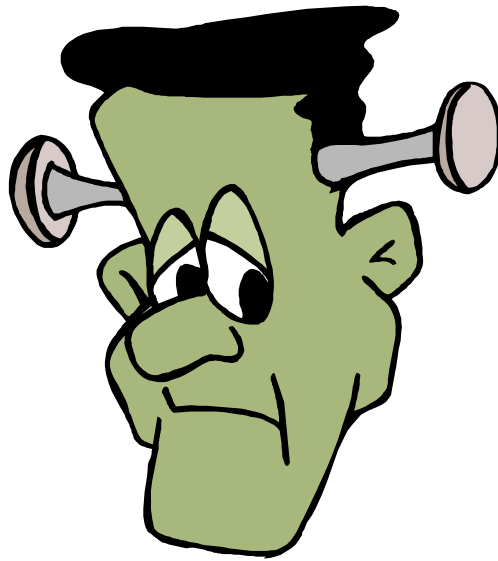

Last year Frankenstein was really mad.
Frankenstein has brown hair and bones.
He is very tall. Frankenstein is dreadfully
spooky.

Next Frankenstein bought a haunted house. It has a TV, a yard, and a hall. It has zombies everywhere. It sounds like moaning.

Last Frankenstein cast a spell on his Mom. Frankenstein's mom taught him all the spells. He was scared because his mom will cast a bigger spell on him. Then his mom got in a fight.

Then they made up with each other. His mom got a new monster. Then they played with each other.
