

Alan

My name is Alan and I am in second grade.

I have 2 fish and 2 brothers.

I live in the apartments.

And one bed with a control

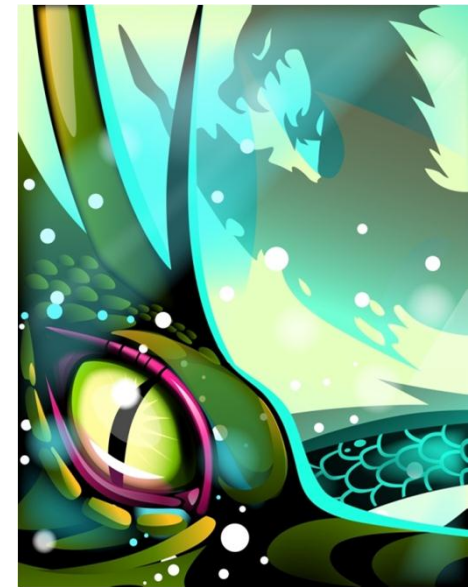

and I have a big tree next to

my house that goes past the roof.

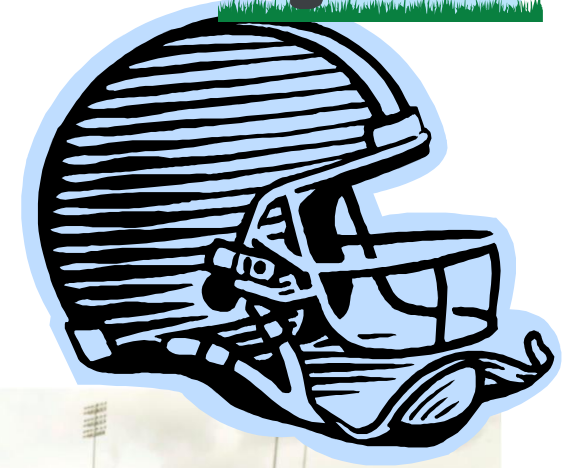

I have an Xbox and my brothers

like how I play. I have 2 rooms

and I like to go in them.

One day I got in the street when it was raining and then I was hiding from my mom and she got mad.

This is how we didn't get in trouble
Because I went inside and
my mom stopped being mad.
