

The Jumper by Ema

Once upon a time there lived a monster named Spooky. He has blue eyes and sharp claws and his skin are green with orange spots and he's big. And he has an evil brother.

This story takes place in a haunted house. The house is big. And there are spooky sounds.

One day spooky broke his brothers bed his brother was so sad.

The next day I helped spooky fix his brother's bed. His brother was happy they lived happily ever after.
