

When I was sick

My name is Jaleen and I like to play soccer.

I have two brothers and a sister and a dog.

I clean my room because I like to do it.

One time my dog ran away and we found her.

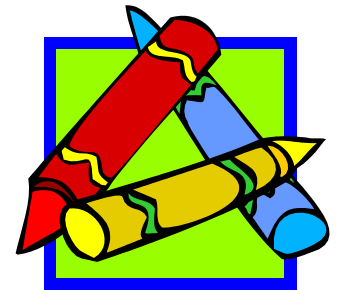

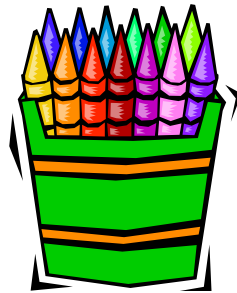

I live in a house and it has 2 rooms.

I have a bathroom.

And 1 kitchen.

An 1 living room and it has 1 couch. I have a dog.

One time I had the bug and I felt sick and I threw up and threw up and my family was sad.

One time I was sick in bed and my mom didn't give me food so I don't throw up and gave me medicine and then I got better and I was happy.
