

Monster Story by Justin and zacc

Once upon a time there was a monster named Slappy. He scares people. He is mean to people. He only likes to be in the dark. Slappy is small and has a string to talk.

This story takes place in a haunted bus with a big horn. It's where slappy likes to live. Slappy does not like to be with people.

One day he got thrown away in the trash.
Slappy was not sad but mad. He did not like to
be thrown in the trash.

The next day someone took him out. She wanted to keep him. But she got too scared that she put him back in.
