

# The spooky gooey monster.

The spooky gooey monster lived in a house. Long ago there was an gooey monster. She can cast spells and eats schools her nails are green her name is Kaley. And she is red and slimy .

Long ago there lived a swamp that had eyes. It had creepy bats and moaning zombies and evil witches and evil witches with brooms.

One time he got in a fight with another monster and they fixed it by sitting in the corner.

But they got lonely when they were sitting in the corner . So when they got out of the corner they had to say sorry . They accepted each others apologies and played blocks,
