

# Haunted House

A wicked witch once lived in the sky. Her name  
Was Maria Gonzales she had pointy nails and  
She has black and brown eyes.

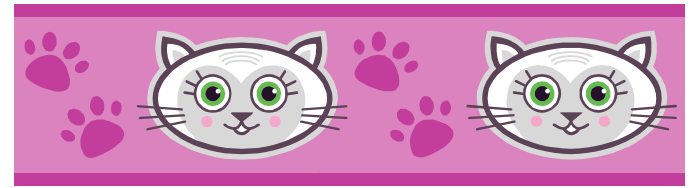

Her house was a place full of spider webs and icky messes.  
It was disgusting! Children did not want to go her house.  
The house was haunted and full of noises and ghosts.

The evil witch did not to give out candy to the children.

She wanted to give spider webs instead.

The children were nice to her and she gave toys to them. Then she started to be nice.
