

Fourth of July

by: Isaac and Trevor

The name of our holiday is the Fourth of July. We began celebrating this holiday on July fourth in 1776. We celebrate the Fourth of July on July 4th every year. The purpose of Independence day is to commemorate the signing Declaration of Independents on July 4 1776. Independence day is often celebrated by displaying the American flag, lighting up fireworks, barbequing, and having fun.
