

# Grave

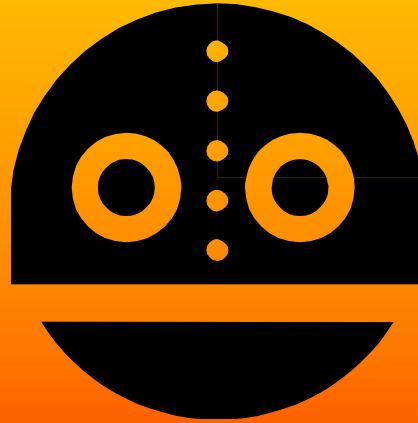

Once upon time there was a mad scientist, his name was Grave. He war brown boots. He is short. He has a dead dog friend and a black owl friend. His skin is orange.

Grave found a swamp. And it sounds like creaking and stepping and it feels cold and it is slimy in the swamp. And you see evil bats they try to eat you at night it is haunted.

One day Grave was making an experiment. Then someone broke it. Then grave got mad.

He built a robot, then the robot fixed  
the experiment. Then he was happy.

the end.
